

Your restaurant on Foodics. *Set up properly.*

We set up your Foodics system the right way: products, add-ons, recipes, stock control and internal forms, with full onboarding for your team. It all starts with a free 10-minute online call.

- ◆ Free 10-minute online consultation
- ◆ Packages from AED 2,700, one-time
- ◆ Talabat onboarding done for you, included in every package
- ◆ Payment 100% upfront: contract, payment, then work starts
- ◆ Your Foodics subscription stays with you, in your name

From an empty account to a *working* restaurant system.

Foodics is the system. We are the people who set it up for you, so your team can start on day one with a clean, organised setup.

1

Products & menu

Categories, items, sizes and prices, set up cleanly from your menu, including large menus with hundreds of items.

2

Add-ons & modifiers

Choice groups, extras and size options with their rules and prices, including complex menus with many add-ons.

3

Recipes & costing

Ingredient-level recipes for each product, so you can see what each item costs you.

4

Stock control

Inventory items, suppliers, units, stock counts, waste, receiving and transfers.

5

Forms & internal management

Simple internal forms and sheets for stock counts, receiving and waste, tied to your setup.

6

Onboarding & training

Online sessions for your team: users and roles, daily use, reports, and a follow-up period after launch.

A free 10-minute *online* call.

Book a short call. We listen to your plans, ask a few questions, and explain what we can do for you. No obligation.

Who it is for

- ◆ New restaurants and cafeterias that want their Foodics set up right from day one
- ◆ Larger restaurants with big or complex menus: many items, many add-ons, many details
- ◆ Restaurants that already have Foodics but never set up recipes, stock or forms properly
- ◆ Multi-branch or multi-brand operations

Our packages suit restaurants of a certain size. The call helps us tell you honestly which package, if any, fits.

How booking works

- 1 Book**
Fill the "Book an appointment" form on clickbms.ae or message us on WhatsApp.
- 2 Confirm**
We reply with a time and a link for the online call.
- 3 10 minutes**
We understand your business and explain how we can help.
- 4 Proposal**
You receive a written proposal. Work starts after you sign the contract and pay the full amount.

Free consultation

10 minutes, online, no obligation

FREE

Three packages. *One-time* price.

After the free 10-minute consultation, we decide which package your restaurant needs, based on its size and menu complexity, and state it in the written proposal. Payment is 100% upfront: work starts after the contract is signed and the full amount is paid.

Full Management (F3): exactly what it includes, and its limits

What it includes

- ◆ Everything in Control (F2)
- ◆ A free 45-minute discovery call, then a written scope and final price before we start
- ◆ Large or complex menus: up to 300 products, up to 100 add-on / choice groups with advanced rules, up to 30 combos
- ◆ Set-up for up to 2 branches or brands, with stock transfers between them
- ◆ Recipes for up to 300 products, up to 400 inventory items and 40 suppliers
- ◆ Up to 6 custom internal forms and up to 20 users
- ◆ One-time margin review: we show each product's cost against its price so you can decide (no promise of savings or sales)
- ◆ 4 online training sessions (1 hour each)
- ◆ 30-day follow-up after launch, with up to 12 hours of support and one named Click contact

Restrictions and fair use

- ◆ The limits above are fixed per package. Anything beyond them (products, branches, stock, users) is quoted in writing before we start
- ◆ Follow-up covers questions and fixes to what we set up only, not a new project. New projects are quoted separately
- ◆ The change rounds (3) apply to the data you gave us before sign-off. New data counts as a change round
- ◆ The follow-up period starts on the launch date confirmed in writing, and pauses if we wait more than 7 days for your data
- ◆ Unused training sessions and support hours do not carry over and are not refunded after the follow-up period ends
- ◆ Extra work is quoted in writing before we start: extra branch AED 2,500, extra training session (1 hour) AED 350, monthly care AED 950/month, extra products by agreement
- ◆ You are responsible for the accuracy of the menu, recipes and prices you give us; your chef reviews recipes before we finalise them

Optional extras

Extra branch (F2/F3)

AED 2,500

Extra training session (1 hour, online)

AED 350

Monthly care, paid 100% in advance each month: menu and price updates, stock review, monthly report

AED 950 / month

Extra products beyond the package limit

F1 + AED 12 · F2 + AED 25 · F3 by agreement

Payment is 100% upfront: contract, payment, then work starts

- ◆ For every package, every service and monthly care: the full amount is paid before work starts
- ◆ The steps: sign the contract, pay the full amount by bank transfer, then work starts
- ◆ Before work starts: full refund (less bank charges) if you cancel in writing within 48 hours of paying; after that we keep 10% for the time reserved
- ◆ After work starts: no refund, unless Click fails to deliver for a reason within its control (details in the Terms & Conditions)
- ◆ The bank account details come only in your copy of the contract and quotation. Write the quotation number in the transfer reference

Foodics subscription: paid by you, directly to Foodics

Foodics lists these UAE plans on its website (foodics.com/foodics-pricing-uae, checked 23 Oct 2026). Prices are per month, billed annually.

Starter	AED 199	Cloud POS, menu management, customer module, dashboards, reporting
Basic	AED 375	Everything in Starter, plus the options Foodics lists such as inventory, tables, delivery zones, promotions
Advanced	AED 556	Everything in Basic, plus loyalty, API integration and advanced BI dashboards

- Foodics sends a custom quote based on your hardware and software choices. VAT, hardware and add-on modules may change the final cost: confirm with Foodics.
- Recipes and stock control need Foodics' inventory module. Ask Foodics which plan includes it.

Not included in our prices

- ✗ The Foodics subscription, hardware (POS, printers, screens) and payment fees: paid by you to Foodics
- ✗ Talabat fees and any fees, commissions or subscriptions of delivery apps: paid by the restaurant owner directly to them. The package price covers Click's service fees only
- ✗ Sign-up on delivery apps other than Talabat: quoted separately (see the delivery-apps packages)
- ✗ Photography and photo editing (separate paid service: edits from AED 10 per photo, photographer visits from AED 2,400) · Design (available separately)
- ✗ Technical support for faults inside Foodics itself (Foodics provides this)
- ✗ Integrations with other systems (accounting or other) and custom development; installing hardware or networks
- ✗ Entering historical data (old sales) or re-entering data you changed after sign-off
- ✗ On-site visits: we work online
- ✗ Any promise of sales, profit or cost savings

A few things to *get started*.

1

Your menu

Items, sizes, prices and any add-ons, in any format.

2

Recipes (F2/F3)

Ingredients and quantities per item. Your chef reviews what we prepare.

3

Suppliers and units (F2/F3)

Who you buy from and how you buy it.

4

Foodics account

Your own account, in your restaurant's name.
We never ask for your passwords in chat.

5

A contact person

Someone who can answer questions and approve each stage.

Our rules

- ◆ Your Foodics account stays yours, in your name.
- ◆ No promises of sales or savings. We set things up properly; results depend on your business.
- ◆ No invented numbers or testimonials.
- ◆ We work online. Everything starts with a call.
- ◆ Payment is 100% upfront: work starts only after the contract is signed and the full amount is paid.
